Website Redesign Proposal

Prepared For:

Tyler Nall

Nall's Specialized Hauling

4880 Bardstown Road

Elizabethtown, KY 42701

Date: July 8, 2026

Proposal Valid Through: August 7, 2026

Project Overview

This proposal includes a complete redesign of Nall's Specialized Hauling website with a modern, mobile-friendly layout focused on showcasing the company, attracting drivers, and generating customer quote requests.

Website Includes

A custom five-page responsive website consisting of:

- Home
- About Us
- Staff
- Shop
- Specialized Hauling

The site will also include:

- Driver recruiting call-to-action
- Quote request form
- Safety & compliance information
- Fleet and facility photo galleries
- Contact information
- Mobile optimization
- Search engine friendly structure

Investment

Custom Website Design: \$1,100

This is a discounted friends and family rate. Comparable custom websites of this size typically range from **\$3,750 to \$5,000**.

Optional Media Services

Service	Price
Drone video (subcontracted)	\$200 + tax
Professional photography (subcontracted)	\$275 + tax
Premium media package (photo + drone video)	\$400 + tax
Staff headshots	\$20 per employee
Fleet & shop photography	\$150 + tax

Payment Schedule

A 50% deposit (\$550) is due to reserve the project.

The remaining balance, along with any selected media services, is due upon completion before the website goes live.

Estimated completion is approximately **3 to 5 weeks** after all content and photos have been received.

What I Need From You

Before development begins, please provide:

- Company logo
- Website text and business information
- Safety Manual PDF
- Photos or scheduling for photography
- CSA score (if applicable)
- Three to five websites you like for design inspiration

Terms

- The quoted price covers the website described in this proposal. Requests outside this scope may require a separate estimate.
- The website includes up to five rounds of revisions during the seven days following delivery. Additional revisions are billed at \$75 per hour.
- Hosting and domain registration are the client's responsibility. If desired, I can configure hosting, domain settings, and SSL for a one-time fee of \$100.
- Professional photography and drone services are provided through a trusted subcontractor and coordinated by Custom Web Architecture.
